

## Examination: Supplementary Tests Form

Medicare requires detailed documentation and interpretation for Extended Ophthalmoscopy, Fundus Photography, Visual Fields, Gonioscopy, Scanning Computerized Ophthalmic Diagnostic Imaging (SCODI), and Pachymetry. These forms are a quick and easy way to comply with CMS regulations when performing these tests. At the conclusion of the exam, simply count the number of elements documented to determine the level of examination performed.

### *Pricing: A Volume Savings*

Forms	List Price	PEN Price
50 Forms	\$15.00	\$12.00
100 Forms	\$20.00	\$16.50
200 Forms	\$32.00	\$27.50
