Special Bank Pricing

Extreme H₂O Toric LC® EXCLUSIVE PEN Member 20 box bank pricing

(We have expanded the LC parameter to include Sphere Power +4.000 to +6.00, Cylinder Power 0.65D, Axis 15° to 180° in 15° Steps)

Extreme H₂O Toric LC is designed for the 55% of patients with astigmatism from 0.50D to 1.00D.

Don't have your low cylinder patients compromise for crisp clear vision!

- More than 90% of patients were fit with the first lens selected
- Patients attained a full line of improvement vs. spherical correction
- A cost effective upgrade from spheres or aspherics for low astigmatic patients
