

# PEN Members... are you up for the Challenge?

## Take part in the **World Sight Day Challenge** September 1 – October 14, 2010

**PEN has partnered with Optometry Giving Sight** in support of their global initiative to end preventable vision impairment worldwide because...

- 85% of every dollar raised by Optometry Giving Sight goes directly to support programs that help give sight to those most in need.
- Optometry Giving Sight trains local eye care professionals and establishes community based vision centers as a sustainable solution to solve this problem for the long term.
- We must reach beyond our own local communities, and there is no organization better prepared to take on this challenge than Optometry Giving Sight.

**Please help us give sight.**

**Take the *World Sight Day Challenge* and make a tax deductible donation.**

- Yes! I would like to make a monthly donation of \$15.
- Please send me a free **World Sight Day** kit for my practice.

- I am a PEN Member, please bill my PEN account.
